Bellemeade

The Bellemeade is a gracious plan for living and entertaining. The foyer has two well-placed closets for coat and accessory storage. The inviting family room is highlighted by a cathedral ceiling, corner fireplace and atrium door to the outside. The spacious country kitchen has plenty of room for guests and helpers with direct access to both the family room and dining room. The large utility room makes storage easy. The master suite, with garden tub, walk-in closet, stand-alone shower and separate vanities, defines comfort and privacy.
