

Lancelot

The Lancelot has all the space you want and the rooms you want, along with a spectacular appearance: a graceful roofline with three gables and a new front porch design with column. The large kitchen has a big breakfast room and plenty of counter space. The front room can be used as a formal living room, dining room or study. The master suite has dual vanities, his & hers walk-in closets, a garden tub and stand-alone shower. The large back bedroom has a private bath.

2,334 sq. ft.
