

# The Meadow

## 950 SQ FT 2 BEDS | 2 BATHS

The Meadow is our smallest 2bed/2bath yet. Though it may be small, it proves to be mighty with it's modern design and the features of a much larger plan. You will enter into a small foyer that opens up to the family room. The design allows for an open floor plan with access to your kitchen and plenty of counterspace. The master bedroom features a walk-in closet and a master bath with a spacious shower.
