

More of Everything

Classic II

The Classic II opens to a dramatic living room featuring a fireplace and cathedral ceiling. The gracious kitchen plan has an adjacent utility room and pantry, as well as a breakfast bar for casual dining. The dining room, opening onto the kitchen and living room, leads to the backyard through an atrium door. The master bedroom features two large closets and a garden tub. The three large bedrooms also feature large closets.

1,813 sq. ft.
